INTERVIEW SUMMARY

On Monday, April 21, 2008, Examiner Shelley Chen conducted a telephonic interview with Paul A. Pysher and Timothy M. Bryan, Attorneys for the Applicant.

The pending claims were discussed in view of the Examiner's rejection over the combination of U.S. Patent No. 6,091,355 (Cadotte) and U.S. Patent No. 3,454,945 (Hyltin). Arguments distinguishing the pending claims from the cited references, and against the combination of the cited references, were presented. No agreement was reached regarding allowability of the claims; however, Examiner Chen agreed to examine an amendment to claim 1 which incorporates the features of claim 11 if the Applicants file a request for continued examination (RCE).

Respectfully submitted,

Date: May 19, 2008
